

Report on Relief activities

Dalits in Khokna receiving relief packs by signing

We are pleased report on the relief activities carried in South Lalitpur and some of the VDCs. Bhattedanda VDC, Deokichowk and Chaughare .We also involved in Khokna and Bungmati, Dharmasthali and Camps around Kathmandu.

Dharmasthali Health Teaching: Dr.NP with his team one side

There is also a place named Dharmasthali, people are living in poor condition. CM provided food packages, and made aware of hygiene and sanitation with demonstration of handwashing, phenyl spreading, distributed water purifier tabs, dehydration jiwan jal pkts. CM has been demonstrating in almost all parts where we had been involved in relief services.

There are places where dalits (first pictures on top of the page) are isolated from relief provision. They are the one often ignored by other caste groups. CM team found and managed to provide 32 sacks of rice after few weeks again and delivery food and baby care packages. Console Mission is thinking and planning as to what it can do in helping Earth quake victims for resettling and coming to the normal state of life.

The relief activities which have been done in cooperation of local volunteers with commitment to serve their communities. This has been our one of the strategies.

Zinc roofsheet and mosquito net to Bhattedanda

Happy receiving the Zinc sheets

We provided zinc roof sheets to ward 3 Bhattedanda and mosquito nets as well . Firstly CM team visited several times to assess and provide fast food and health packages.

Mosquito Net distributed Bhattedanda

Injured Child saved by grandmother and mom

A tragedy you see an injured child protected by mother and grand mother who lost their lives during horrible earth quake covering the child from falling walls. What type of love this is ?

There are other VDCs requires zinc sheets. We have stated medical camp as well. We did one in Chaughare VDC. The medical team consists of local health personnel and CM volunteer. CM provided financial resource, bought medicine and required equipments.

***Delivery case u/o Zinc shelter Assessment Team in action:MultidisciplinarySocioMedical
(Received delivery & Baby pks)***

CM team manages to provide delivery food stuff and baby care packages and babies and mothers were examined by a senior medical expert.CM also provided refreshment packages to the injured people at the hospital.We also provided delivery nutritious food and baby care packages to all the delivery cases in the camps in Kathmandu.

FUTURE ACTIONS

Review the situation

Seek financial possibility of implementing the relief services in South Lalitpur and other parts of the EQ affected districts. We have representative local persons who are monitoring the situation and the needs in the below shown pictures.

Chaughare VDC

Gorkha

Sindhupalchowk

Kavere

Dolakh

Water Tank damaged by EQ

Pipes for temporary arrangement

Medical Camp and health teaching with demonstrations

Distribution of Purifying US device

Helping damaged schools for reconstruction

Landslides in Rasuwa, **Sindhupalchowk** and Dolakha districts

School damaged by EQs

Church building damaged

Identify possibility of helping homeless and traumatized people and family. Rescue Transit services: Console Mission has connections with shelter homes where the people victimized by Earth Quake can have shelter.

GRATITUDE

Console Mission is grateful to you, your team and organization as a whole for your prayerful support in this relief mission. We will continue to monitor the places we reached with the relief services. We hope your continuous prayer and partnership.
